

**The Eden
Mandate**
(Genesis 2:15)

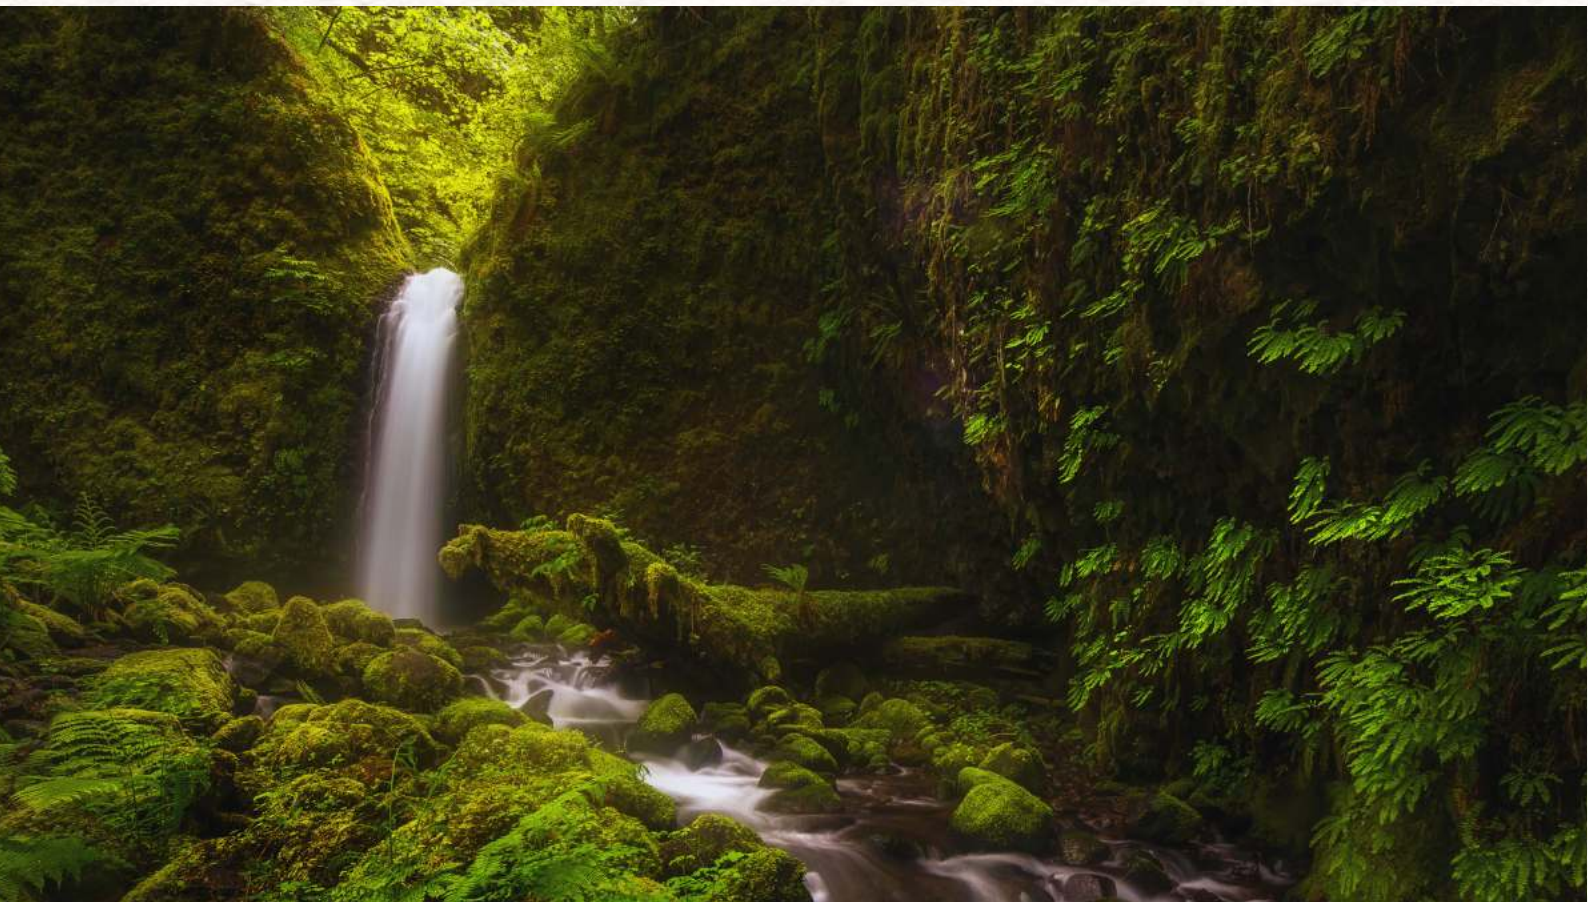

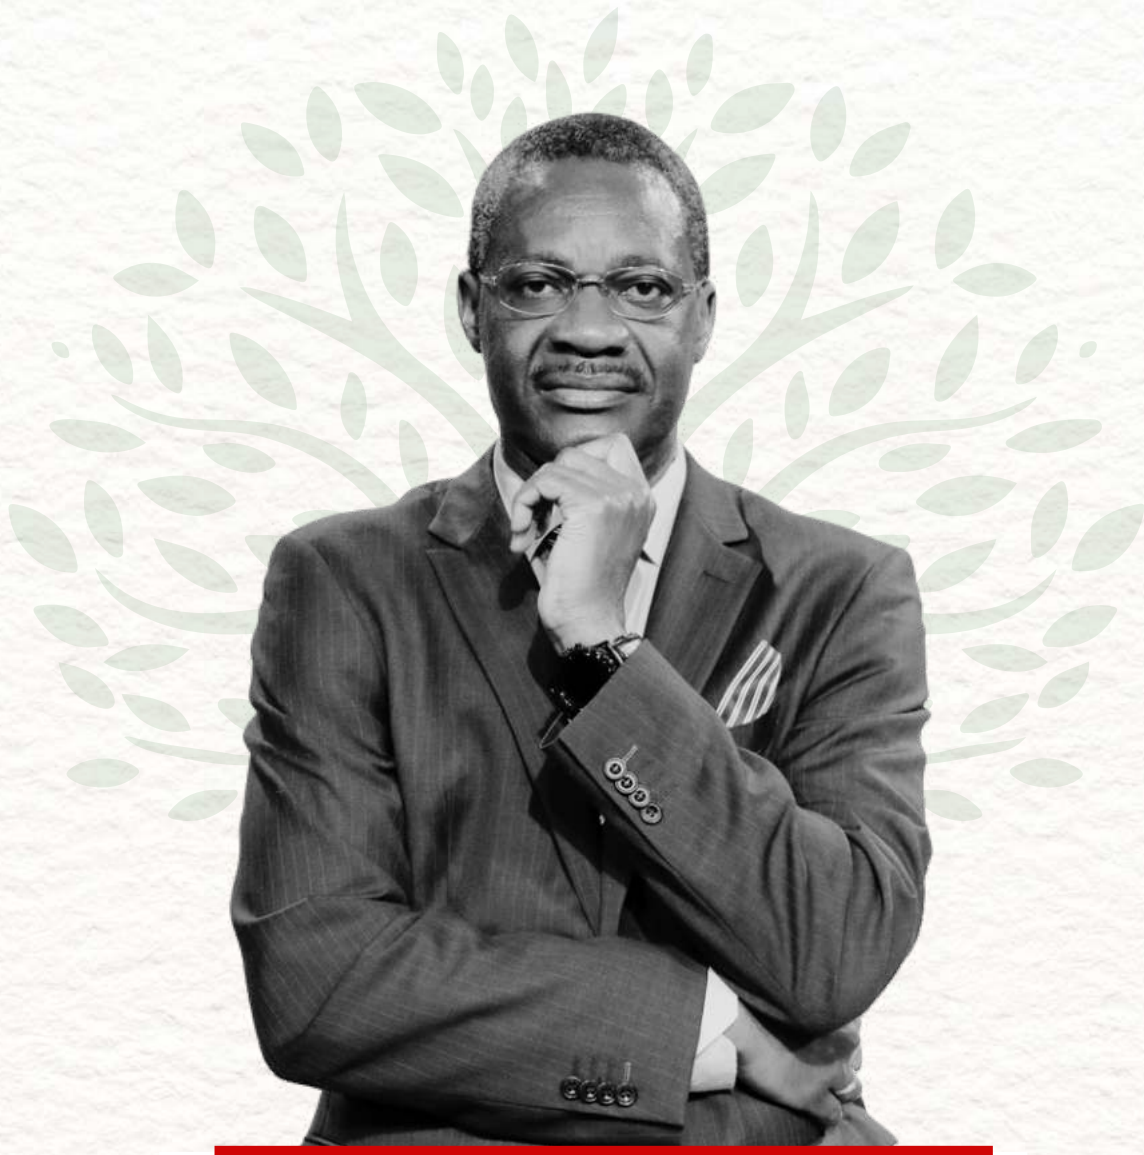

The Story Of Eden

From the very beginning, God placed man in the **Garden of Eden**, a place of abundance, beauty, and order, and gave him a divine mandate to tend and keep it. **(Genesis 2:15)** This means that God's plan for humanity and work has always been rooted in stewardship, fruitfulness and dominion.

"The Eden Mandate CBF Conference 2025" is beyond a conference – it is a prophetic charge to today's believer to return to work and business rooted in purpose.

Tend. Keep. Thrive!

“Welcome to **The Eden Mandate .”**

“As stewards of the earth, we have been given a special mandate by God in Eden; To take care of all that He has entrusted to us - ourselves, our families and loved ones, our ministries and our work. Let us return to the timeless principles of Eden, where success and stewardship go hand in hand. We warmly welcome you to this year’s one-of-a-kind conference. Together, let us create a culture and shape a legacy of thriving entrepreneurship, agribusiness and innovation for future generations.”

Presiding Bishop, CITAM Assemblies.
